imation

Product Resource Guide

Data Storage and Information Management

For more than 50 years, Imation has been a worldwide leader in developing, manufacturing and marketing a full line of offerings to help its customers manage, store and share data for the desktop and mobile, network and data center environments. Our diverse portfolio includes the broadest range of removable data storage media. Among the latest information management solutions, Imation has introduced LTO Ultrium™ 3 Tape Cartridges, 52x CD-R, 16x DVD and USB 2.0 Swivel Flash Drives.

The innovation doesn't stop there. Imation's strategic alliances with cutting-edge technology companies offer customers exciting new storage technologies. Through Imation's joint development programs, Imation continues its commitment to help customers better manage, store and share data—now and for years to come.

Half-Inch Tape Cartridges

Exclusive Imation backcoating gives Black Watch™ Tape Cartridges the performance edge by dissipating static and wound-in debris for reduced errors, and by minimizing tape compression for improved tape stability. These cartridges also feature a precision tape spool for uniform tape wind and reduced tape edge damage, plus unique FlashGard™ weld for added cartridge strength.

Black Watch 9840 and 9940 Half-Inch Tape Cartridges

UPC No.	Description	Native Capacity
51122-**91270**	Black Watch 9840 (T9840C drive) (T9840B drive) (T9840A drive)	 40GB 20GB 20GB
51122-**41333**	Black Watch 9940	200GB
51122-**90676**	Black Watch 9840 Cleaning Cartridge, up to 100 cleanings	NA
51122-**41337**	Black Watch 9940 Cleaning Cartridge, up to 100 cleanings	NA

Black Watch 3590/3590E Tape Cartridges

UPC No.	Description	Native Capacity
51111-**43832**	Black Watch 3590 (“H” model 384 track) (“E” model 256 track) (“B” model 128 track)	 30GB 20GB 10GB
51122-**40852**	Black Watch 3590E (“H” model 384 track) (“E” model 256 track) (“B” model 128 track)	 60GB 40GB 20GB
51111-**43838**	Black Watch 3590 Cleaning Cartridge, up to 100 cleanings	NA
51122-**11861**	3480/3490E/3590/3590E Leader Block Refill Kit (made to order)	NA

Labeling and initialization Options
Option 1, customer supplies label, Imation applies
Option 2, Imation buys non bar-coded label and applies
Option 3, Imation buys color bar-coded label and applies
Option 4, Imation buys black and white bar-coded label and applies

Note: Media ID label and initialization can be added to all options. **Contact your Imation representative for further details.**

Black Watch 3480 and 3490E Half-Inch Tape Cartridges

UPC No.	Description	Native Capacity
51111-**12514**	Black Watch 3480	210MB
51111-**46138**	Black Watch 3490E	810MB
51111-**43112**	Black Watch 3480/3490 Cleaning Cartridge, up to 100 cleanings	NA
51122-**12129**	Black Watch 3480/3490E/3590/3590E Leader Block Attachment Kit (made to order)	NA

Royal Guard™ 3480- and 3490E-Compatible Half-Inch Tape Cartridges

Same features as Black Watch cartridges, only with a non-backcoated tape.

UPC No.	Description	Native Capacity
51111-**43401**	Royal Guard 3480	300MB
51111-**40467**	Royal Guard 3480	250MB
51111-**40213**	Royal Guard 3480	210MB
51111-**42473**	Royal Guard 3490E	810MB

Imation Data Center Professional Services*

Imation offers collaborative, solid solutions to your data center challenges, helping you streamline your operations and improve efficiency. Imation Data Center Professional Services include:

- Data Center Assessment
- Best Practices Evaluation
- High Capacity Cartridge Care and Handling Seminars

DLTtape Cartridges

DLTtape™ Cartridges are rugged and reliable for demanding backup and storage applications. Imation DLTtape IV Cartridges are tested to 1,000,000 passes (500,000 passes for DLTtape III) exceeding the ANSI and ECMA standard of 250,000 passes.

UPC No.	Description	Native Capacity
51122-**11776**	DLTtape IV	40GB
51122-**17170**	DLTtape IV – labeled	40GB
51122-**12070**	DLTtape IIIXT	15GB
51122-**11774**	DLTtape III	10GB
51122-**12919**	DLTtape Cleaning Cartridge, up to 20 cleanings	NA
51122-**05273**	DLTtape Cleaning Cartridge – labeled	NA

Super DLTtape I Cartridges

Super DLTtape™ I Cartridges provide the highest capacity of all Imation tape storage solutions, offering up to 320GB of compressed capacity with a transfer rate of up to 32MB/second. Read/write compatible in both SDLT 220 and SDLT 320 drives.

UPC No.	Description	Native Capacity
51112-**16260**	Super DLTtape I (SDLT 320 drive) (SDLT 220 drive)	 160GB 110GB
51112-**16398**	Super DLTtape I – labeled (SDLT 320 drive) (SDLT 220 drive)	 160GB 110GB
51112-**16332**	SDLT Cleaning Cartridge, up to 20 cleanings	NA
51112-**16399**	SDLT Cleaning Cartridge – labeled, up to 20 cleanings	NA

LTO Ultrium Tape Cartridges

This powerful open-tape architecture significantly expands data storage options to meet the growing mid-range and enterprise storage demands of today's companies. Imation LTO Ultrium™ Tape Cartridges feature a proprietary three-piece tape spool design for better tracking and fewer errors. Proprietary corner-snap design improves cartridge strength for extra protection if cartridge is dropped.

UPC No.	Description	Native Capacity
51122-**17532**	LTO Ultrium 3 with case	400GB
51122-**17533**	LTO Ultrium 3 with case, labeled	400GB
51122-**17534**	LTO Ultrium 3 without case	400GB
51122-**17535**	LTO Ultrium 3 without case, labeled	400GB
51122-**16598**	LTO Ultrium 2 with case	200GB
51122-**16599**	LTO Ultrium 2 with case, labeled	200GB
51122-**16601**	LTO Ultrium 2 without case	200GB
51122-**16600**	LTO Ultrium 2 without case, labeled	200GB
51122-**41089**	LTO Ultrium 1 with case	100GB
51122-**16232**	LTO Ultrium 1 with case, labeled	100GB
51122-**41277**	LTO Ultrium 1 without case	100GB
51122-**41278**	LTO Ultrium 1 without case, labeled	100GB
51122-**15931**	Ultrium Universal Cleaning Cartridge, 15-50+ cleanings	NA

Travan Data Cartridges

Ideal for high-performance entry-level network or desktop backup, Travan™ Data Cartridge tape design features high-precision, patented components based on QIC (Quarter Inch Cartridge) technology and allows for scalability.

UPC No.	Description	Capacity*
51122-**42467**	Travan 40GB	20GB/40GB
51122-**12115**	Travan NS20	10GB/20GB
51122-**12059**	Travan NS8	4GB/8GB
51111-**46214**	Travan TR-4	4GB/8GB
51122-**12132**	Travan Dry Process Cleaning Kit, up to 50 cleanings	NA

*Native/Compressed

SLR (Scalable Linear Recording) Data Cartridges

SLR data cartridges deliver increased capacity for workstations and entry-level and mid-range network environments at an affordable price.

UPC No.	Description	Capacity*
51122-**16891**	SLR140	70GB/140GB
51122-**41069**	SLR100	50GB/100GB
51122-**16838**	SLR75	38GB/75GB
51122-**41115**	SLR60	30GB/60GB
51122-**12096**	SLR50	25GB/50GB
51122-**41112**	SLR40	20GB/40GB
51122-**41461**	SLR7	20GB/40GB
51122-**11892**	SLR32	16GB/32GB
51122-**12725**	SLR24	12GB/24GB
51122-**11864**	SLR5	4GB/8GB
51122-**45640**	MLR1	13GB/26GB
51122-**12094**	SLR/MLR Dry Process Drive Cleaning Kit, up to 50 cleanings	NA

*Native/Compressed

5.25″ Data Cartridges

The brand preferred by more data cartridge users. From the inventors of quarter-inch cartridge technology, these cartridges have a proven track record of reliability and performance.

UPC No.	Description	Native Capacity
51111-**46168**	Magnus 2.5GB (SLR 4)	2.5GB
51111-**46165**	Magnus 1.2GB (SLR 3)	1.2GB
51111-**46156**	DC 6525 (SLR 2)	525MB
51111-**46157**	DC 6250	250MB

Data Cartridges

4mm Data Cartridges

An advanced precision coating reduces errors and helps ensure reliable read-write performance. Compatible with 4mm tape drive systems.

UPC No.	Description	Capacity*
51122-**17204**	DAT 72 4mm	36GB/72GB
51122-**40963**	DDS-4 DDS-150 4mm	20GB/40GB
51122-**11737**	DDS-3 DDS-125 4mm	12GB/24GB
51111-**43347**	DDS-2 DDS-120 4mm	4GB/8GB
51111-**42818**	DDS-1 DDS-90 4mm	2GB/4GB
51111-**45382**	4mm Cleaning Kit, 30-50 cleanings	NA

*Native/Compressed

8mm Data Cartridges

An advanced precision coating reduces errors and helps ensure reliable read-write performance. Compatible with 8mm tape drive systems.

UPC No.	Description	Capacity*
51111-**45386**	D8 160m 8mm (8505XL drive) (8205XL drive)	 7.0GB/14GB 3.5GB/7GB
51111-**40858**	D8 112m 8mm (8500 drive) (8200 drive)	 5.0GB/10GB 2.5GB/5.0GB
51111-**45383**	8mm Cleaning Kit, up to 12 cleanings	NA

*Native/Compressed

Mammoth 8mm Data Cartridges

This data cartridge, featuring AME tape, offers expanded recording capacity and reduced mechanical wear. Compatible with Exabyte Mammoth 8900 drives.

UPC No.	Description	Capacity*
51122-**41262**	Mammoth AME 170m 8mm (for Exabyte drives)	20/40GB
51122-**41264**	Mammoth 8mm Cleaning Kit, up to 18 cleanings	NA

*Native/Compressed

Diskettes

Imation is the #1 manufacturer of branded diskettes worldwide.

3.5″ Diskettes

Available unformatted or formatted for IBM or Macintosh.

UPC No.	Description
51111-**12881**	3.5″ DS-HD IBM Formatted Diskettes 10-pack
51111-**44154**	3.5″ DS-HD IBM Formatted Diskettes 25-pack
51111-**44797**	3.5″ DS-HD IBM Formatted Diskettes 50-pack
51111-**46606**	3.5″ DS-HD IBM Formatted Diskettes 100-pack
51111-**40759**	3.5″ DS-HD Mac Formatted Diskettes 10-pack
51111-**12513**	3.5″ DS-HD IBM Diskettes 10-pack
51111-**12882**	3.5″ DS-DD IBM Formatted Diskettes 10-pack

3.5″ Neon Color Diskettes

Same reliable Imation diskettes in new wave, see-through neon colors. Way cool!

UPC No.	Description
51122-**11916**	3.5″ DS-HD IBM Formatted Diskettes, neon (2ea; lemon-lime, kiwi, tangerine, raspberry, blueberry) 10-pack in plastic case
51122-**92278**	3.5″ DS-HD Mac Formatted Diskettes, neon (2ea; lemon-lime, kiwi, tangerine, raspberry, blueberry) 10-pack
51122-**40880**	3.5″ DS-HD IBM Formatted Diskettes, neon elements (2ea; titanium, krypton, sulfur, iodine, oxygen, neon) 10+2 free 12-pack
51122-**15847**	3.5″ DS-HD IBM Formatted Diskettes, neon (2ea; lemon-lime, kiwi, tangerine, raspberry, blueberry) 40-pack in plastic tub

3.5″ Rainbow Color Diskettes

Reliability in a rainbow of colors.

UPC No.	Description
51122-**42439**	3.5″ DS-HD IBM Formatted Diskettes, rainbow (2ea; blue, green, yellow, orange, red) 10-pack

Floppy Drives

Sleek, lightweight drive provides instant portability and compatibility to your computer for backup, file transfer, software installation and more. Also available in an internal drive configuration.

UPC No.	Description
51122-**01946**	3.5″ USB External Drive PC and Mac
51122-**16217**	3.5″ Internal Floppy Drive

Dictating Cassettes

Record and re-record on these durable Imation cassettes for standard, mini and micro voice recording devices.

UPC No.	Description
51111-**33060**	542-30 Dictating Cassette 30 min
51111-**33061**	542-60 Dictating Cassette 60 min
51111-**33062**	542-90 Dictating Cassette 60 min
51111-**00074**	541-30 Mini Dictating Cassette 30 min
51111-**00090**	543-60 Micro Dictating Cassette 90 min
51122-**91712**	543-60 Micro Dictating Cassettes 60 min 10-pack

Magneto-Optical Disks

5.25″ Rewriteable Optical Disks

Get maximum protection from these ultra-durable disks that allow millions of read-write-erase cycles. Disks offer write protection and are interlockable and stackable for easy storage.

UPC No.	Description
51122-**91551**	5.25″ Rewriteable Optical Disk 5.2GB, 2048 bytes/sector
51111-**46617**	5.25″ Rewriteable Optical Disk 2.6GB, 1024 bytes/sector
51111-**46618**	5.25″ Rewriteable Optical Disk 2.3GB, 512 bytes/sector
51111-**44019**	5.25″ Rewriteable Optical Disk 1.3GB, 1024 bytes/sector
51111-**44018**	5.25″ Rewriteable Optical Disk 1.2GB, 512 bytes/sector
51111-**15176**	5.25″ Rewriteable Optical Disk 650MB, 1024 bytes/sector
51111-**15175**	5.25″ Rewriteable Optical Disk 590MB, 512 bytes/sector

CD Media

Mini (80mm) CD-R Neon Media

These tiny CD-Rs can hold up to 202MB of information: 23 minutes uncompressed audio or up to six hours compressed audio formats. For use with compatible digital audio players, and standard CD-ROM-equipped computers or tray-style CD players.

UPC No.	Description
51122-**41482**	Mini CD-R 202MB/23Min neon 5-pack in neon slim jewel cases
51122-**42334**	Mini CD-R 185MB/21Min neon 25-pack spindle

CD-RW Media

Rewriteable CDs compatible with CD-RW drives. Playback on various CD, DVD and rewriteable DVD drives.

UPC No.	Description
	10x-24x Ultra-Speed Media (Compatible only with drives featuring the Ultra-Speed logo)
51122-**16884**	10x-24x Ultra-Speed CD-RW 650MB/80Min 5-pack std. jewel cases
51122-**16885**	10x-24x Ultra-Speed CD-RW 650MB/80Min 25-pack spindle
	4x-10x High-Speed Media (Compatible with drives featuring the High-Speed or Ultra-Speed logo)
51122-**41458**	4x-10x High-Speed CD-RW 700MB/80Min 1-pack std. jewel case
51122-**41424**	4x-10x High-Speed CD-RW 700MB/80Min 5-pack std. jewel cases
	1x-4x Media
51122-**12381**	4x CD-RW 700MB/80Min 1-pack std. jewel case
51122-**41149**	4x CD-RW 700MB/80Min 25-pack spindle

CD-R Music Media

Specially designed for music lovers who record on digital home audio systems. Each disc holds up to 80 minutes of audio.

UPC No.	Description
51122-**17523**	52x Music CD-R 700MB/80Min 25-pack spindle

CD-R Media

Store up to 700MB or 80 minutes of data swiftly and permanently with write speeds up to 52x. Cannot be erased or overwritten.

UPC No. 52x	Description
51122-**16627**	CD-R 700MB/80Min 1-pack slim jewel case
51122-**17331**	CD-R 700MB/80Min 1-pack std. jewel case
51122-**17525**	CD-R 700MB/80Min 5-pack puck
51122-**17284**	CD-R 700MB/80Min 5-pack std. jewel cases
51122-**17332**	CD-R 700MB/80Min 10-pack slim jewel cases
51122-**17259**	CD-R 700MB/80Min 20-pack slim jewel cases
51122-**17333**	CD-R 700MB/80Min 25-pack spindle
51122-**17298**	CD-R 700MB/80Min 30-pack spindle
51122-**17301**	CD-R 700MB/80Min 50-pack spindle
51122-**17262**	CD-R 700MB/80Min 100-pack spindle

Printable CD Media shown on page 16.

CD-R Neon Media

High-performance, high-capacity CD-R media available in five bright neon colors.

UPC No.	Description
51122-**15794**	40x CD-R 700MB/80Min Neon 10-pack neon slim jewel cases
51122-**41431**	40x CD-R 700MB/80Min Neon 25-pack neon slim jewel cases
51122-**01939**	40x CD-R 700MB/80Min Neon 25-pack spindle
51122-**15808**	40x CD-R 700MB/80Min Neon 50-pack spindle

DVD Media

High capacity storage solutions for the consumer or business professional with data-intensive, high-performance applications. Available in recordable (write-once) and rewriteable formats for:

- Video recording
- PC backup
- Data archiving
- Data transfer
- Video editing
- Audio recording
- Photos

Audio CD-Recorder Drive	Read							✔		✔	✔
	Write										✔

‡ 1x-4x CD-RW discs are write-compatible with most standard first generation CD-RW drives, or drives featuring the High Speed or Ultra Speed logo.
4x-10x High Speed CD-RW discs are write-compatible only with CD-RW drives featuring the High Speed or Ultra Speed logo.
10x-24x Ultra Speed CD-RW discs are write-compatible only with CD-RW drives featuring the Ultra Speed logo.

* This is the most common. Compatibilities are based on specific drive manufacturers.
** Lower speed drives might need firmware upgrade to write this media.
*** Most of the new DVD+RW drives will also write DVD+R media.

NOTE: Newer drives being introduced are becoming more and more compatible with multiple media types. Compatibility depends on drive. Check with drive manufacturers for compatibility and speed.

Printable CD/DVD Media

With Imation Printable CD or DVD Media—and a special inkjet or thermal printer—any organization or individual can create high-quality, custom-printed duplicates. The print surface of Imation Printable Optical Media extends all the way to the hub, offering even greater design possibilities.

The world trusts Imation for data storage

For more than 50 years, Imation has been a worldwide leader in removable data storage media. Offering one of the broadest product lines in the industry, with removable media spanning from a few megabytes to hundreds of gigabytes of capacity, Imation serves customers in more than 100 countries, in both business and consumer markets. From large data centers to distributed networks, Imation's tape cartridges are used in data processing, security, business continuity, backup and archiving applications. Customer needs for reliability, convenience and portability to store and manage business data, photos, video, images and music on professional and home desktops—and increasingly in consumer electronics devices—drive demand for Imation's optical, flash and diskette products.

With more than 300 technology scientists and more than 330 data storage-related patents in the U.S., Imation continues to pioneer today's proven magnetic and optical media technologies.
